

**List of training resources related to research data management,  
Appendix A to "Core Characteristics of Learning Resource Collecting and Servicing Organisations"**

*Catalogues and registries collected by the RDA ETHRD-IG Learning Resource Collectors Focus Group, 2020-2021*

Title of resource	Name of organisation	URL	Subject	Comments/description
CESSDA Data Management Expert Guide	CESSDA	<a href="https://www.cessda.eu/Training/Training-Resources/Library/Data-Management-Expert-Guide">https://www.cessda.eu/Training/Training-Resources/Library/Data-Management-Expert-Guide</a>	Social science	Training guide for social science on research data management and how to make research FAIR
TeSS: ELIXIR's Training Portal	ELIXIR	<a href="https://tess.elixir-europe.org/">https://tess.elixir-europe.org/</a>	Life science	Training portal for ELIXIR
FOSTER	FOSTER Plus (EU Horizon 2020 Project)	<a href="https://www.fosteropenscience.eu/">https://www.fosteropenscience.eu/</a>	General/All	Complete training portal for Open Science
Research data management (RDM) open training materials	Curated by Laura Molloy	<a href="https://zenodo.org/communities/dcc-rdm-training-materials">https://zenodo.org/communities/dcc-rdm-training-materials</a>	General/All	"We accept submissions of openly available online RDM training materials which can be re-used by others either in a class environment or for self-teaching."
The ENVRI Community Training Platform	The ENVRI community	<a href="https://training.envri.eu/">https://training.envri.eu/</a>	Earth science & environmental research	Website backed by an underlying learning resource catalogue from Environmental Research Infrastructures, projects, networks
The ENVRI-FAIR Training Catalogue	The ENVRI community	<a href="https://trainingcatalogue.envri.eu/">https://trainingcatalogue.envri.eu/</a>	Earth science & environmental research	Website backed by an underlying learning resource catalogue from Environmental Research Infrastructures, projects, networks
SSHOC Training Discovery toolkit	SSHOC/CESSDA	<a href="https://training-toolkit.sshopencloud.eu/">https://training-toolkit.sshopencloud.eu/</a>	Social sciences and Humanities	Inventory of SSH training materials
Photon and Neutron E-learning platform	PaNOSC/ExPaNDS	<a href="https://pan-learning.org/">https://pan-learning.org/</a>	Photon and neutron scattering	An online course system featuring exercises and quizzes provided by a Moodle installation; a set of wiki pages provided by a MediaWiki installation; an online simulator platform based on McStas and Django
The Data Management Training (DMT) Clearinghouse	ESIP/University of New Mexico Libraries/Knowledge Motifs LLC	<a href="http://dmclearinghouse.esipfed.org">http://dmclearinghouse.esipfed.org</a>	General/All	A registry for online learning resources focusing on RDM and research data skillbuilding more generally
Materialsammlung der UAG Schulungen/Fortbildungen	DINI/nestor-AG Forschungsdaten	<a href="https://rs.cms.hu-berlin.de/uag_fdm">https://rs.cms.hu-berlin.de/uag_fdm</a>	General/All	Training materials, resources, exercises, slides, training concepts and teaching scripts for RDM (in German)

Research Data Management E-Learning Platform	HTW Chur	<a href="https://campus.hesge.ch/researchdatamanagement/">https://campus.hesge.ch/researchdatamanagement/</a>	General/All	E-Learning Platform (content in German and French)
RDM Training Materials for the Engineering Sciences	TU9 universities in Germany	<a href="https://zenodo.org/communities/rdm_training_engineering_sciences/?page=1&amp;size=20">https://zenodo.org/communities/rdm_training_engineering_sciences/?page=1&amp;size=20</a>	Engineering Sciences	Slides, exercises and materials for RDM in the Engineering Sciences
USGS Data Management and Data Release Training Modules	United States Geological Survey	<a href="https://www.usgs.gov/products/data-and-tools/data-management/training">https://www.usgs.gov/products/data-and-tools/data-management/training</a>	GIS	Training materials and resources for finding, managing and preserving data aimed at employees of USGS, but cover broadly applicable topics
Data Management: Data Management Training	Northwestern University Libraries (United States)	<a href="https://libguides.northwestern.edu/datamanagement/datamanagementtraining">https://libguides.northwestern.edu/datamanagement/datamanagementtraining</a>	General/All	Lists in-house trainings as well as outside groups
DataOne Education Modules	DataOne	<a href="https://old.dataone.org/education-modules">https://old.dataone.org/education-modules</a>	Earth science & environmental research	This is the older version of their website; the new website will be post the adapted in-person training soon ( <a href="https://www.dataone.org/training/">https://www.dataone.org/training/</a> )
Open Scholarship Knowledge Base	Center for Open Science	<a href="https://www.oercommons.org/hubs/OSKB">https://www.oercommons.org/hubs/OSKB</a>	general/All	Focused upon Open Educational Resources (OER)
Research Support Games List	Robert Gordon University, curated by George Bray	<a href="https://figshare.com/articles/online_resource/Research_Support_Games_List/16652701/1">https://figshare.com/articles/online_resource/Research_Support_Games_List/16652701/1</a>	general/All	Games based resources for engaging researchers in data management
